 single occupant, all gender  single occupant, women  Shower  changing table \$ menstrual products are not free

¹ ESF's earliest buildings had few toilet rooms designated as single occupant, or for either women or mobility devices; retrofit spaces were sometimes not prominently located.

² See also Gender Expression Non-Discrimination Act (GENDA), NYS (2019) and NYS 8 NYCRR Part 317 (2021).

³ **Lactation Room(s).** These spaces have a chair, counter, outlet, shielded from view, & NOT a restroom, meeting *Labor Law* requirements for a designated private space to pump. NYS *Civil Law* protects right to nurse wherever you have the right to be. Unless noted, room remains unlocked except while in use. More information: <http://www.esf.edu/resources/family>
