College of Environmental Science and Forestry

Administrative Approval Form – Curriculum*

Academic Affairs Committee - ESF Academic Governance

Date: 01/02/2024
Department: **Sustainable Resources Management**
Curriculum Title: **Forest Technology**
Name of Requestor: Eddie Bevilacqua

Attach to this form a copy of the ESF Minor Curriculum Change Proposal Form with all sections completed. Send the completed documents to curriculum@esf.edu

Description of the Change:

This revision is being implemented per the 2021 guidance on SUNY General Educational Framework (SUNY General Education Framework (SUNY GE) - SUNY) to incorporate general education requirement of at least 20 credits in a minimum of four specifically required knowledge and skills area, including diversity: equity, inclusion, and social justice. This revision is required to be implemented by Fall 2024 for A.A.S. degree programs. For the Forest Technology A.A.S. program, the new DEISJ requirement will replace the formerly required social science (economics/policy/government) course required for the degree program.

For AAC and OAA use Only

                                                                         Date

Associate Provost for Instruction

*Form to be used for minor changes only. "Minor" curriculum changes appropriate for administrative approval should be limited to **ONE** of the following examples: 1) Adding a new course to a curriculum's list of required courses; 2) Adding a new course to a curriculum's list of directed elective courses; 3) Revising an existing course that is a part of a curriculum's list of required courses (i.e. number, prefix, or title change); 4) Revising an existing course that is a part of a curriculum's list of directed elective courses (i.e. number, prefix, or title change); 5) Adjusting course sequencing within a curriculum that does not change lists of required courses or directed electives or total credit hours, and has no impact on students outside of the major; or 6) Minor changes to curriculum description/language in the college catalog that does not change course tables or total credit hours required for a major.

If two or more of the above changes are proposed, the proposal should be submitted to the Academic Affairs Committee as a minor curriculum change, and will not be considered for administrative approval. Approvals will be posted on AAC website.
