Communication (Written and Oral): Student Learning Outcomes

For each of the student learning outcomes, please provide please describe how course instruction will be designed to achieve these outcomes. Also please state how you assess that particular student learning outcome in your course.

Either a written narrative in paragraph form or a bulleted list will be accepted. For Communication (Written and Oral), the student learning outcomes are:

Students will

- *research a topic, develop an argument, and organize supporting details; and*
- *demonstrate coherent college-level communication (written and oral) that informs, persuades, or otherwise engages with an audience; and*
- *evaluate communication for substance, bias, and intended effect; and*
- *demonstrate the ability to revise and improve written and oral communication*

Student Learning Outcome 1: Research a topic, develop an argument, and organize supporting details.
