VOL. 2009 **NO.** 4

TO: The College Community

SUBJECT: Football Parking - 2009 Season

The Syracuse Police Department will set up traffic control points around the University Hill area two hours before the start of every football game. No vehicle will be allowed beyond police barricades unless a **Seasonal or Single Game Football Parking Permit** is displayed.

The following **restrictions** are in effect for 2009 football parking:

1. Moon lot and the lots north of Illick and Bray are turned over to SU Parking. The lot between Bray and Walters (Lot 12) will be closed off due to ongoing construction projects. All ESF permit holders must use other ESF lots.
2. Any ESF permit holder may park in an appropriate lot on campus before police roadblocks are set up but must exit campus two hours before the football game unless a **Seasonal or Single Game Football Parking Permit** is displayed. If you need to be on campus during an event, advance arrangements must be made through University Police so that an appropriate pass may be issued.
3. After police roadblocks are established, all vehicles must display a **Seasonal or Single Game Football Parking Permit** to drive through police lines and park on campus.
4. Vehicles displaying **Seasonal or Single Game Football Parking Permits** may enter campus from the **WEST** at the M&O gate on Stadium Place or the Irving Avenue gate, from the **NORTH** at the South Crouse gate, from the **EAST** at Euclid and Comstock or University Place and Comstock gates.

To obtain a **Permit**:

- A. A **Seasonal** Permit will be issued to any ESF parking permit holder who has purchased a season football ticket. **Names will be verified from ticket packets.**
- B. A **Single Game** Permit will be issued on a space-available basis to any ESF parking permit holder who has purchased an individual game ticket.
