

Colin South, Ph.D.
President, Director
Mascoma Corporation

Dr. South has held leading technology and management-focused positions for companies in engineering, genetics and marketing arenas.

He has over ten years of bioprocess design, construction and operation experience in the biotech industry acquired while with BioMetrics Consulting. He was the former CEO of ViaLactia Biosciences, a gene discovery and commercialization company and was Fonterra Co-operative Group's General Manager of Health and Nutrition in Auckland, New Zealand.

Dr. South received a bachelor's degree in Chemical Engineering from the University of Canterbury, Christchurch, New Zealand and both an M.E. in Engineering Management and a Ph.D. in Bioprocess Engineering from Dartmouth College.
