

The SUNY-ESF Monthly Payment Plan For Summer, Fall & Spring

To assist the families of our students, the SUNY College of Environmental Science and Forestry is pleased to offer the Monthly Payment Plan (MPP) as an alternative to standard payment arrangements.

The MPP enables families to pay college expenses in regular monthly installments. This eases the burden of paying college bills in a lump sum.

No Interest Charges

MPP provides all of the benefits of a monthly payment plan without charging interest. Affordable monthly payments will help families avoid additional borrowing. The only cost for participating in the payment plan is a \$45 Annual application fee to cover administrative expenses.
