Dear Suzette,

Please accept the attached detailed course proposal for EWP 620 for approval through COI. The Department of Environmental Studies has approved it. The course is a graduate level version of an existing course (EWP 420 -- formerly CMN 420) and was tested for a couple years as a 696 prior to this formal proposal.

Let me know if I can be of further assistance.

Sincerely,

Valerie

Valerie--

Attached are the detailed course description and course proposal for EWP 620, which were approved by the ES faculty at yesterday's meeting.

Please forward to CoI at your convenience.

Thanks. ~ Benette
