Frequently Asked Questions

For general information regarding accepted students and things to do/forms to complete before you get to ESF, please see the Graduate Studies webpage at [http://www.esf.edu/graduate/accepted.htm](http://www.esf.edu/graduate/accepted.htm).

- **Where can I park my car? How do I get a parking pass?**
  ESF students are not allowed to park on campus during regular weekday hours. However, ESF graduate students are allowed to park in Standart Lot on SU campus, next to Stadium Place (see ESF map), with a valid parking permit. Parking permits are free to Graduate Assistants and a application form for a permit comes in the packet with your GA appointment. Bring this parking application form, your driver’s license, ESF student ID, and car registration to University Police in 19 Bray Hall to get your permit. Limited after-hour student parking is available on ESF campus ONLY from 5:00pm-2:00am weekdays and 7:00am-2:00am on weekends with this permit.

  If you are not a GA and you do not get a free parking permit, you must pay for a parking permit, with costs depending on location. Permits are issued through the My Slice Portal (myslice.syr.edu). Call 315-443-4652 for more information.

- **Where can I find a bus schedule for routes and times to/from campus?**
  Centro Bus Lines has a variety of routes through the SU/ESF neighborhood, SU/ESF campus, downtown Syracuse, and to other parts of the city. You can access their bus routes and schedules at [http://www.centro.org/cnyCentroSchedules.aspx](http://www.centro.org/cnyCentroSchedules.aspx).

- **Where can I get a student ID?**

- **How do I register for classes? Where do I register?**
  Before you can register for classes, you must meet with your advisor. Then go to the My Slice portal (myslice.syr.edu) to see your enrollment appointment time (under the Student Services application) for the selected semester. You can register on My Slice anytime after your enrollment appointment time, but no later than the last day of scheduled registration (or you may have to pay a late fee). Complete the course selection process with the appropriate personal information, course numbers, sections, and names found on the course offerings.
