

## Maureen Mahle, Steven Winter Associates

Maureen Mahle is an engineer with Steven Winter Associates, Inc. (SWA). Ms. Mahle supports project teams seeking certification under LEED® for Homes, Green Communities, the National Green Building Standard, and ENERGY STAR® for both single family homes and multifamily buildings. As of January 2011 she was actively involved with ratings of over 5,000 housing units in ten states. Ms. Mahle received her M.S. in Civil and Environmental Engineering from the University of Wisconsin Madison.
