

# **Certified Green Bonds for Affordable Housing**

*Karen Phillips, Vice President and Director of Development, New York State Homes and Community Renewal*

## **ABSTRACT**

New York State's Homes and Community Renewal is committed to financing sustainable and energy efficient affordable housing. In 2017, HCR's Housing Finance Agency became first in the nation to have its bonds certified by the Climate Bonds Initiative. Learn more about this strategy for green building finance with HCR's Vice President and Director of Development, Karen Phillips.
