\* For purposes of pay calculation under the requirements of the Fair Labor Standards Act (FLSA) of 1938 as amended, the Research Foundation (RF) has established a workweek period that extends from Saturday at 12:00 a.m. through Friday at 11:59 p.m. Within this workweek period, the Research Foundation has established either a 37.5-hour or 40-hour standard workweek as the basis for full-time employment [1.0 Full Time Equivalent (FTE)]. Part-time employment is calculated on the standard workweek. The designation of standard work week is based upon position requirements. Although assigned a specific standard workweek relative to the core business hours of the college which is 37.5 hours per week, exempt employees are not covered under the overtime provisions contained within the Fair Labor Standards Act (FLSA). As such, they may be required to work hours outside of their standard workweek, based upon job responsibilities or business.
