

SUNY-ESF JOACHIM CENTER – 12TH ANNUAL FORUM

Opportunities for Forest Resources, Forest Products and Allied Industries
in a Potentially Carbon and Non-Renewable Energy Constrained World

JUNE 4-5, 2007 FORUM -- MILLENNIUM UN PLAZA HOTEL, NYC

The Forum is designed to support the forest products and related industries in addressing the challenges posed by potentially emerging carbon and non renewable energy constraints. Specifically we will focus on industry efforts to foresee possibilities and align practices, policies, and products that will enable success within these constraints. Participants in this forum are from industry, government, non-governmental organizations, financial and market sectors, academia and the general public.

Forum Plenary Speakers Include:

- *Katherine Buckman Gibson, Chairman of the Board, Bulab Holdings, Inc.*
- *Miles P. Drake, Senior VP, R&D, CTO, Weyerhaeuser*
- *Cornelius B. Murphy Jr., President, SUNY ESF*
- *K.G. Rajan, VP, Syracuse Pulp and Paper Foundation, Inc.*
- *Bala Ramakrishnan, Managing Director, GSO Capital Partners*
- *William H. Schlesinger, Incoming President, IES (as of June 1, 2007)*
- *William P. Tully, Director, Division of Engineering; Director, Joachim Center, SUNY ESF*
- *Mark T. Watkins, Senior VP – Technology & Forestry, MeadWestvaco Corporation*
- *Ross S. Whaley, Chairman, The Adirondack Park Agency*
- *Scott Wheeler, President, Strategy Arts*

Concurrent Session Presenters Include:

- *Klaus Doëlle, Professor, University of Brandenburg, Germany*
- *Timothy J. Fahey, Professor, Department of Natural Resources, Cornell University*
- *Robert Fledderman, Manager, Environmental Regulatory Assurance, MeadWestvaco Corporation, Forestry Division*
- *Steve Govoni, Research Director, Nalco Company*
- *Linda S. Heath, Project leader, US Forest Service, NE Region*
- *George Ionides, President, Tenamex Consulting*
- *Jose Iribarne, Engineering & Technical Services Manager, Solvay Paperboard*
- *George Milner, Senior VP, Energy, Environmental and Governmental Affairs, Mohawk Fine Papers Inc.*
- *James P. Nakas, Professor, Environmental & Forest Biology, SUNY ESF*
- *Matthew Smith CF, ACF, EMS-A, Director of Land Management, Forecon Inc.*
- *William B. Smith, Professor, Construction Management and Wood Products Engineering Faculty, SUNY ESF*
- *Peter Stein, Senior Partner, Woodlands Management Associates, and Manager, Lyme Timber Company Conservation Advisory Services*
- *Gregory L. Wedel, President, Kadant Johnson Inc.*

Concurrent Session Moderators and Panelists Include:

- *Thomas E. Amidon, Director, ESPRI, Professor, Faculty of Paper and Bioprocess Engineering, SUNY ESF*
- *Susan Anagnost, Chair, Construction Management & Wood Products Engineering, SUNY ESF*
- *William Bentley, Principal, Salmon Brook Associates*
- *G. Ronald Brown, Mead Westvaco Corporation*
- *Bruce Evans, President, ESPRA; Technology Manager, Specialty Minerals, Inc.*
- *John Glomb, President Emeritus, ESPRA*
- *Valerie A. Luzadis, Professor, Forest & Natural Resources Management Faculty, SUNY ESF*
- *Myron J. Mitchell, Distinguished Professor, Environmental and Forest Biology Faculty, SUNY ESF*
- *B.V. Ramarao, Associate Director, ESPRI, Professor, Faculty of Paper and Bioprocess Engineering, SUNY ESF*
- *Robert Steggeman, Government Relations, International Paper*

Forum Steering Committee and Resource Advisors Include:

- *Thomas E. Amidon, Director, ESPRI, Professor, Faculty of Paper and Bioprocess Engineering, SUNY ESF*
- *Bruce Evans, Technical Manager, Specialty Minerals, Inc.*
- *John (Jay) Janson, President, Syracuse Pulp and Paper Foundation*
- *Thomas Jorling, Joachim Management Excellence Fellow*
- *Frank L. McKone, Joachim Management Excellence Fellow*
- *Myron J. Mitchell, Distinguished Professor, Environmental and Forest Biology Faculty, SUNY ESF*
- *Albert Moore, Assistant to the President, Buckman Laboratories, Inc.*
- *K.G. Rajan, VP, Syracuse Pulp and Paper Foundation, Inc.*
- *B.V. Ramarao, Associate Director, ESPRI, Professor, Faculty of Paper and Bioprocess Engineering, SUNY ESF*
- *Cliff Schneider, Vice President Sustainability, MeadWestvaco Corporation*
- *William H. Trice, Director Emeritus, Past President, Syracuse Pulp and Paper Foundation*
- *William P. Tully, Joachim Program Director*
- *Ross S. Whaley, Chairman, The Adirondack Park Agency*
