

Library Subscription Titles Under Consideration for Cancellation: 2010

All of the following titles are owned by numerous SUNY and local libraries and have a very low usage rate on campus. They can all be obtained at SU immediately or via interlibrary loan usually within three days time. If there is no usage number given, then there was no usage for 2009-10. Actual titles cancelled will depend upon the 2010-11 library acquisitions budget, and the need for other competing resources and databases.

If you have comments or feedback regarding this list as a whole, or as regards any particular title(s) please let me know by email at spweiter@esf.edu or via phone at x6715.

Except where noted these are Main Campus Print titles only. Subscriptions for the Ranger School and for the AEC are unaffected.
