

Air Drying

Yard Set-up and Effective Operation

Brian Hughes

Wagner Lumber, Cayuta, NY

Yard Set-up

- Wind Direction
- Species and Thickness in Yard
- Utilize Natural Air Flow to Your Advantage
- Protect Slower Drying Product With Faster Drying Product
- Use Same Tools in The Yard That Are Used in The Kiln (Hygrometer, Air Flow Meter, etc)

Don't Forget – Air Dry Yard is Not Just
A Storage Area

From The Bottom Up

Inspect Pile Bottom Placement
