

SAF Meeting – October 20, 2003

### **NATIONAL CONVENTION THIS WEEKEND!!!!**

- GOLF SHIRTS ARE IN!
- The hotel will be paid **IN FULL** by the Faculty of Forest and Natural Resources Management. You MUST HAVE your student I.D. for the hotel. The room assignments are not “set in stone”, so if people want to switch and move around AFTER you have checked it that is not problem.
- Quizbowl has had their final meeting, and might be able to accommodate the extra schools/teams and fit them in. Kathleen will need our help during the Quizbowl, so let her know if you are available.
- Student Ambassadors have emailed schools that will be attending to know that we are here to help them.
- NSA – Apples will be brought over in waves. Mike can bring some on Thursday, the suburban can bring more on Friday and the rest will be brought over by the vans on Saturday.
- We will obtain our refund checks from our student chapter AFTER the convention. Nick will write us all checks. The DEC is also giving us around \$100 each for volunteering.
- The Memorial Grove will be advertised and a Dominant – level donation will be made for the raffle.

### **Other items**

- Tree Planting with Steve Harris is taking place November 8<sup>th</sup>. There are 2 locations:
  - Water Street – planting starts at 9:30am – 10 volunteers needed
  - Midland Ave – planting starts at 10am – 4 volunteers neededFree food will be available after planting is finished.  
More information is on the way from Steve.  
An ad will be placed in the Student Activities email/website.
- Humboldt Challenge – We are currently in the lead, but that should not make us comfortable because Humboldt Univ. saves all their applications until December. A table will be displayed in Marshall Hall after the Convention.
