Poster Spotlight

- This is the function where students display posters they have made in classes in Moon Library for all to see. It takes place on Tuesday, April 13th from 10am-3pm.
- We have agreed to pick and set up the food for this function (hopefully in Moon Conference Room).
- Kathleen and Liza have volunteered to pick up the food at Wegman's around 8:30am.
- Denise, Rachel, and Nan will help set up around 9am. They will also set up the SAF table, where we will try to recruit new members and get donations for the Memorial Grove.
- If everyone else can stop by the SAF table during the day to take turns running the table that would be great.
