Other Issues:

M: Potential field trip to his cousin's forestry/logging operation

All: SCA representative is a good idea, but not the first week

N: October 8<sup>th</sup> is the first-year student trip to Heiburg, including tree planting.  
We need helpers on the 8<sup>th</sup>.

L: SAF could provide schedule/course help to first year students

D: Reading club idea. SAF could provide an opportunity for interested students to read and discuss an article each week, kind of like a student run seminar.

M: Guest speakers/faculty could also be involved occasionally.

M: Should we sponsor a TG?
