

SAF meeting – September 29, 2003

NEXT MEETING IS TUESDAY, OCTOBER 7TH!

National Convention

We had a conference call with Madelaine Morgan and Louis Murgia (SAF National Convention Coordinators).

- Icebreaker – it is ok to have the acoustic band
- Quizbowl – Kathleen has received the rules and questions that go along with the game. Bells, stopwatches and pads on easels (for scorekeeping) will be provided for us, and we can pick them up Friday, Oct. 25th. We can find our own judges (8 in all) or they can find volunteers for us if we cannot find enough. We will allow only 16 teams (schools) to play so we do not have to have a pretest, which was unpopular last year.
- NSA – Power point, projector and a TV with VCR will be provided for speakers who need them. Mike will show clips of the Muir/Pinchot video. Cookies and soda will be provided at the beginning of NSA. It will officially start at 3:45pm. An elevated platform will be provided for the panel speakers, along with a podium and microphone. Elections will be held to decide who will run NSA at next years National Convention and serve on SAF's House Society of Delegates.
- **Whoever is attending the National Convention:**
