"PROJECT LEARNING TREE TEACHES *HOW* TO THINK, NOT *WHAT* TO THINK."
& USES NATURE TO PROMOTE LEARNING

Resource professionals are often called upon as informal educators regarding an array of environmental questions. This workshop will provide you with interactive, age-appropriate, inexpensive activities that you can use and readily adapt for a variety of groups.

This is an active indoor/outdoor workshop, and it will be conducted rain or shine—please dress appropriately.

More information, including directions, are posted at www.esf.edu/org/saf/plt.htm

Please return registration form by Monday, April 9. Checks or money orders for \$25 (student rate \$5) should be made payable to: ESF-SAF.

Return completed form to:
