A regular update on ESF’s outreach programs, projects, partnerships and people.

E-Query:
How many courses are offered during ESF's Summer Sessions?

Answer:
ESF’s faculty and staff are excited to offer **33 courses** this summer, including online, on-campus and off-campus courses! To see a list of courses and learn how to register, visit [www.esf.edu/outreach/summer](http://www.esf.edu/outreach/summer).

ESF Summer Session 2011
Over 30 summer courses offered in four summer terms include online, classroom, and field-based courses for ESF students, visiting college/university students, rising high school seniors, K-12 educators, professionals, and lifelong learners. [www.esf.edu/outreach/summer](http://www.esf.edu/outreach/summer)

- **Maymester** (2 weeks): May 16 - May 27
- **Summer Session 1** (6 weeks): May 23 – July 1
- **Summer Session 2** (6 weeks): July 05 - August 12
- **Combined Session** (12 weeks): May 23 - August 12

A New Look to ESF’s Outreach Webpage
Your feedback has inspired a recent renovation of our website: [www.esf.edu/outreach](http://www.esf.edu/outreach). Among other changes, you will see that we are exploring new ways to reach and serve our diverse constituents. These include:

- An ESF Outreach Facebook page where you will find photos and videos from ESF’s and our partners’ programs and projects: [www.facebook.com/pages/SUNY-ESF-Outreach/102866573086260](http://www.facebook.com/pages/SUNY-ESF-Outreach/102866573086260)
- A YouTube playlist that features some of our recent NASA-related global climate change videos and information about our online courses: [www.youtube.com/user/SUNYESFVIDEO#p/c/3C882452330E3CF2](http://www.youtube.com/user/SUNYESFVIDEO#p/c/3C882452330E3CF2)
- A link to our current E-News.
- A blog where Chuck Spuches, Associate Provost for Outreach, and guest bloggers can share and exchange information and ideas: [esfoutreach.wordpress.com](http://esfoutreach.wordpress.com)
**Summer Bioenergy Internships with Companies in Central New York**
This summer, ESF and its partners (Syracuse Center of Excellence and CenterState Corporation for Economic Opportunity) will facilitate an internship program that provides opportunities for qualified college students to work with bioenergy companies in Central NY. Applications are due April 8th. For more information, visit: [www.esf.edu/outreach/projects/fff.htm](http://www.esf.edu/outreach/projects/fff.htm).

**Summer Introduction to Green Entrepreneurship Course**
This course is for current juniors and seniors in high school. Learn more at [www.esf.edu/outreach/green/](http://www.esf.edu/outreach/green/). Check out the instructor’s new video on YouTube at [http://www.youtube.com/watch?v=hVH55zSdFhA](http://www.youtube.com/watch?v=hVH55zSdFhA).

**Climate Change Science and Sustainability**
View our most recent Global Climate Change video, featuring Dave Eichorn, at: [www.youtube.com/user/SUNYESFVIDEO#p/c/0/HBlLP6KTrsE](http://www.youtube.com/user/SUNYESFVIDEO#p/c/0/HBlLP6KTrsE).

**AccelerateCNY** / April 14, 2011
Upstate’s premier conference on technology, manufacturing and innovation. Please note that student entrepreneurs from area colleges and universities receive a reduced registration of $20 (includes breakfast and full lunch) with registration code ACNY20. Register online at: [www.accelerateCNY.com](http://www.accelerateCNY.com).

**Construction and Demolition Waste Reuse and Recycling Training** / Syracuse Center of Excellence / April 21, 2011
You are invited to join the Northeast Recycling Council and Wastecap Resource Solutions for a day-long training on construction and demolition waste reuse and recycling. Learn more at [www.nerc.org](http://www.nerc.org).
Got Energy?
SUNY-ESF is proud to partner with the Science Teachers Association of New York State (STANYS) Central Division to present a series of webinars to support teacher professional development in science. For information and to participate go to centralstanys.org.

- Dr. David Murphy: Oil Impact on the Economy (April 7, 4 - 5 pm).
- Dr. Tim Volk: Biomass Energy and Bio-refineries (April 14, 4 - 5 pm).

Certificate of Advanced Study in Bioprocessing 2011 Graduation
The SUNY-ESF Department of Paper and Bioprocess Engineering is pleased to announce the Certificate of Advanced Study in Bioprocessing 2011 Graduation: Thursday, June 30th at 5:30 p.m. at ESF. Applications are being accepted for the 2012 program. Learn more at www.esf.edu/outreach/bioprocessing or call us at 470-6817.

Crowne Plaza Hotel Syracuse Announces the Loyalty Giveback Program with SUNY-ESF Outreach
The Crowne Plaza Hotel will ‘giveback’ $5 for every room booked and used from April 1 to December 31, 2011. This is an exciting way to use the beautiful Crowne Plaza Hotel and raise money for ESF Outreach. To discover the Crowne Plaza Syracuse and 'giveback' please contact Linda Natoli today at 315-703-1921 or email lnatoli@cpsyracuse.com.
