Celebrating Decades of Dedication

Join ESF and the Outreach office in congratulating Terry Sakowski Webb on 36 years of service to the ESF Community, including 12 years working with Outreach. Terry's dedication to the mission and values of ESF Outreach in serving countless ESF students, faculty, staff, and off-campus friends and colleagues is greatly appreciated. Read more.

Thank you Terry!

Terry is pictured here with ESF wildlife biology junior and Outreach student assistant Mikayla Warren.

Registration Open for the Next Moonlighting

The next Moonlighting Discourse Series will be held 7:00 pm, Friday, April 22, 2016 in the Gateway Center on ESF Campus. Our guest for this special Earth Day celebration will be Sanjit "Bunker" Roy, Indian social activist and educator recognized as one of the "2010 Time 100" influential personalities for his work providing educational opportunities in rural Indian communities. Register here.
Early Registration for New York State Green Building Conference Ends Soon!
Join us April 14-15 at the OnCenter in Syracuse. [Learn more here](#).

Get involved with ESF SCIENCE during Summer 2016
Each year ESF SCIENCE (Summer Camps Investigating Ecology in Neighborhood and City Environments) provides outdoor, informal science learning opportunities to students from Syracuse, and for the second year in 2016, New York City. ESF Outreach is inviting applications for 3-4 undergraduates and 1 graduate student to lead the program for 2016. To learn more or apply, visit the ESF Science website.
