ESF faculty and students create campus plans for West Genesee School District
SUNY-ESF proudly welcomes the West Genesee Central School District as a partner in the ESF in the High School Program. Recently, ESF Outreach had the opportunity to connect the West Genesee School District with SUNY-ESF as they sought the expertise of one of ESF’s eight academic departments. Students enrolled in the SUNY-ESF Landscape Architecture course, Planting Design & Practice (LSA433/633), taught by Timothy Toland, were given the opportunity to work on a service learning project for the West Genesee School District.

SUNY-ESF receives two exemplary program awards from CEANY
SUNY-ESF received two exemplary program awards from the Continuing Education Association of New York, Inc. (CEANY). Each year, the fall CEANY conference is an opportunity to recognize and celebrate contributions made by continuing education professionals as well as exemplary programs, students and partners. SUNY-ESF received an award for "Credit Program" and one for "Advertisement", for contributions in programming and marketing.

ESF Online is open for business!
SUNY-ESF proudly announces that ESF Online “opened for business” this semester. ESF Online is a web-based approach to teaching and learning that will enable people working full time or seeking careers, as well as part-time and full-time students from high schools and colleges throughout the U.S. and beyond to register for ESF courses as a part-time or non-matriculated student.
The Global Environment and the Evolution of Human Culture (EFB 120)
Seminar on University Outreach and Engagement (EFB 796)
