

ESF Outreach Invites You to the  
**Environmental Challenge 2009**  
Science Fair and Career Exploration for 7th & 8th grade students

## BE A SCIENCE FAIR JUDGE!

ESF Outreach cordially invites you to be a judge at the Environmental Challenge. Judging is an exciting and rewarding experience, and we hope you can join us!

What: **Environmental Challenge 2009**

When: **March 12 from 9am to 12pm (breakfast 8:30 am)**

Where: **SUNY-ESF Campus (Marshall Hall and Moon Library)**

### What is the Environmental Challenge?

The Environmental Challenge is a science fair and career exploration opportunity designed especially for all Syracuse City School District 7th and 8th grade students. This year we are celebrating our 8<sup>th</sup> Annual Challenge, and expect over 300 students to participate.

### What does a Judge do?

Judging is EASY and FUN, and we are looking for at least 60 judges. Join us in Room 212 Marshall at 8:30 am for breakfast and refreshments along with a chance to mingle with other judges. A brief orientation will follow promptly at 9 AM in Room 212 Marshall. Each judge will be assigned to assess the projects of a group of students. As a judge you don't only get breakfast and lunch, but the opportunity to influence the lives of our young student participants! The encouragement and interest shown by our volunteer judges is an essential part of the Environmental Challenge experience.

### How do I sign up?

Please contact Terhi Majanen at [thmajanen@esf.edu](mailto:thmajanen@esf.edu) or tel. (315) 470-4871 for more information and to register as a judge.
