ESF Outreach E-news

August Edition

A regular update on ESF's outreach programs, projects, partnerships and people.

Leading Sustainability in Public, Private and Nonprofit Organizations

A new program led by ESF faculty in collaboration with O'Brien and Gere Engineers, Inc., and the Syracuse Center of Excellence in Environmental and Energy Systems. Face-to-face and convenient webinars will help you to:

- Develop and advance effective sustainability strategies
- Evaluate the impacts, costs and benefits of sustainability initiatives
- Organize and mobilize people and financial resources
- Understand and overcome the challenges of related organizational change
