

Environment on the Edge: A Teach-in on Global Warming

February 9, 2002
SUNY College of Environmental Science & Forestry
Syracuse, NY

Organized by—

Global Warming Action Network (GWAN)

Sponsored by—

Faculty of Environmental Studies, SUNY-ESF

Division of Engineering, SUNY-ESF

ESF Continuing Education

Graduate Student Association, SUNY-ESF

Maxwell School Environmental Policy Speaker Series,

Syracuse University

NY Public Interest Research Group (NYPIRG)

Center for Environmental Policy and Administration,

Syracuse University

Syracuse University Environmental Law Society

Kids Against Pollution

The objective of this workshop or teach-in is to bring together students, faculty and the Syracuse Community to appreciate the implications of global warming and to explore individual and community actions and alternatives that are available.

Teach-in Date and Times: This teach-in will be held on February 9, 2002, 9:00 am-5:30 pm.

Short Course Location: Nifkin Lounge, SUNY College of Environmental Science and Forestry, Syracuse, NY.

Call for Posters, Displays, and Exhibits: Posters, displays and exhibits relating to the teach-in topics are invited. We have facilities for 4-ft by 4-ft posters and 6-ft tabletop displays. Please contact ESF Continuing Education if you have additional needs (e.g. space, electrical supply...).

Environment on the Edge: A Teach-in on Global Warming

Preliminary Agenda

Saturday, February 9, 2002

8:30 a.m. Registration, set up poster sessions, displays and resource exhibits in Nifkin Lounge (until 5:30 pm)

9:00 **Welcome, Introduction and Theme**, *Neil Murphy, Rick Smardon, and Christine Shahin-Wood*

9:15 **Keynote speaker:**
Global Warming and Effects on the Antarctic's Peninsula Region: *Eugene Domack*, Hamilton College

Dr. Gene Domack has 23 years of Antarctic experience the last 14 in the Peninsula region. His interests lie in understanding the natural record of environmental variability locked in glacial marine sediments in fjords and inner coastal basins on both sides of the Peninsula. He currently is on the Distinguished Speaker List of the Ocean Drilling Program, serves on the Antarctic Research Vessel Oversight Committee, and is currently investigating the paleorecord of Antarctica's disintegrating ice shelves. Domack is a member of the Sedimentary Research Society, American Geophysical Union, International Glaciological Society, and the American Quaternary Association.

9:40 **Panel on Global Warming and Effects:**

- **Ecological Effects**, *Charlie Hall/Allan Drew*, SUNY-ESF

- **Community Health Effects**, *Betty Faust*, CINVESTAV, Mexico

- **Economic Effects**, *Ross Whaley/Jack Manno*, SUNY-ESF

12 Noon Lunch with discussion groups

1:00 p.m. **Breakout Sessions**

- **Ecological Restoration and Use of Natural Systems**

Engineering Responses, *Kelly Bumpus and Todd Cridge*, SUNY-ESF

Harbor Creek Wetland CSO Treatment, *Joe Kral and Geoff Guenther*, SUNY-ESF

Geothermal Power Opportunities, *John Manning*, Beardsley Design Associates

Wind Power Opportunities, *Bill Moore*, Atlantic Renewables

- **What Individuals Can Do**, *John and Janet Allen*, Creation Stewardship in CNY, and *Ollie Clubb*, GWAN

- **Energy Audits--How to do them**, *Gregory Thomas*, Performance Systems Inc., *Dick Kornbluth*, Entherm, and *Aimee Miller*, NYPIRG

2:00 Break

2:15 **Breakout Sessions repeat**

3:15 **Plenary Panel in Nifkin Lounge: Collective Community Action**

Panel Chair: *Ollie Clubb*, GWAN

- **Model Cities & Kyoto Agreement**, *Ollie Clubb*, GWAN

- **Faith Community Action**, *Janet Allen*, Creation Stewardship in CNY

- **Syracuse Comprehensive Planning Process**, *Emanuel Carter* and the planning team

4:15 **Call to Action / Resources**, *Christine Shahin-Wood*, NYPIRG, and *Rick Smardon*, SUNY-ESF

4:45 **Poster Session, Displays, Exhibits**
 Coffee and refreshments

5:30 Adjourn

Environment on the Edge: A Teach-in on Global Warming

Registration Information

To Register: *Preregistration is required.* Simply fill out and mail the registration form with your registration fee. You may register by phone by calling ESF Continuing Education at (315) 470-6891; or fax to (315) 470-6890.

Registration fee: Early registrations, received by February 1 are eligible for the discount fee of \$10. Government or corporate purchase orders received by the deadline also qualify for the early discount. If received after February 1, the full fee is \$15. The meeting fee included refreshments, and materials. Lunch: \$12 additional; \$5 for students. *(Please feel free to bring your own lunch.) Fees are payable to SUNY-ESF. VISA or Mastercard also accepted.*

Refunds: SUNY-ESF reserves the right to cancel any program in the event of insufficient registrations. A full refund will be given if a program is canceled. Participants who wish to withdraw must give written notice one week in advance to receive a full refund. After that date no refunds are possible due to catering guarantees. Substitutions are permissible at any time.
