

4th Annual SUNY-ESF Green Building Conference

The Economics of Green

May 16-17, 2006

Tour the ESF campus to see some of our green building projects:

- ❑ Newly installed fuel cell,
- ❑ Green roof atop Walter's Hall,
- ❑ Photovoltaic installation,
- ❑ Biodegradable plastic,
- ❑ Wood chips,
- ❑ Hear about the Biomass project.

WALK THE WALK...

Small groups will enjoy narrated tours conducted as part of the 4th Annual Green Building Conference on Tuesday, May 16th from 1:15 pm – 2:15 pm. Depart from the Alumni Lounge in Marshall Hall to see ESF's green building projects, both completed and underway on our beautiful campus.

Return to the conference to enjoy a round table discussion by all of the presenters: Steve Beck, Traci Baule-Hall, Jim Wilson, Michael Deane, Charle-Pan Dawson and Bill Burdick, to discuss the economics of green and SUNY-ESF's projects. The round table will be followed by a presentation by President Neil Murphy. Press is invited to attend.

A gala reception and banquet dinner will follow.
