

ARCHITECTS P.C.

Dominic LaPierre, AIA, LEED, is the managing partner of Ashley McGraw Architects' Long Island office. He is an active member of the Long Island Chapter of the USGBC and has participated in a number of LEED 3.0 Visioning sessions. His recent experience includes work on a number of LEED registered projects.

With offices in Long Island and Syracuse, Ashley McGraw Architects, P.C. is an award winning architectural firm specializing in institutional (K-12, higher education), municipal and high-end residential design, with a commitment to green and sustainable architecture. Ashley McGraw is currently training all its professionals in the procedures involved in the new NY-CHPS which is a new 133 point rating system for green, sustainable K-12 New York State Schools.
