

# **Ranger School Summer Program**

**Summer 2012**

The Ranger School will be offering a Summer Program during the summer of 2012. This unique program will provide students who lack the required prerequisite courses in Trigonometry and/or Biology the opportunity to take these courses just prior to the start of the 2012-2013 Ranger School academic year.

Students will arrive at the Ranger School on Sunday, July 15, 2012. Students will move into the dormitory that day and attend an afternoon Orientation Session. Classes for the Summer Program will begin on the morning of Monday, July 16, 2012. Classes will be held Monday through Friday each week and the last day of classes will be on Friday, August 12, 2011. Please note that classes will be held on Saturday, July 21<sup>st</sup> and there will be a break (no classes) from Thursday, August 2<sup>nd</sup> – Sunday, August 5<sup>th</sup>.

Students will have the opportunity to enroll in FTC 101 – Trigonometry for Natural Resource Technicians (3 credits) and/or FTC 105 – Tree and Forest Biology (4 credits).

The program fee for the Summer Program will be \$1,500.00 which covers room, board, and other program related expenses such as travel and equipment. Textbooks for each course will need to be purchased at an additional cost.

Questions regarding this program offering should be directed to:
