**November 2009 LC Newsletter**

With the holidays approaching, the semester is almost complete. Congratulations, you are on your way to completing your first college semester! Before you get too carried away, there are still some important bits of information that would be very useful to you in the upcoming weeks.

\* Advising has begun in preparation for Class registration for the Spring 2010 semester. **Fall 2009 Advising** (for Spring 2010) dates are from **November 2 until November 10**. It is important that you meet with your advisor so you can have the opportunity to discuss your new schedule for the spring term.

\* Class registration is right around the corner for the Spring 2010 semester. **Class registration at ESF** starts on **November 11 and runs until November 20**. Make sure that you have checked out your [MySlice page](#) and if there are any questions about the registration process, make sure to contact the [Registrar’s Office](#) for further information.

\* Once again, make sure to visit the [Office of Residence Life](#) website for information regarding closing and opening schedules for Thanksgiving and Christmas Break. Don’t forget to check out the SUNY – ESF main website for any inclement weather announcements.

\*\* Get involved! Check out the [Office of Student Activities](#) webpage for more information about all of ESF’s exciting clubs and organizations!

\*\*Are you struggling with time management? Need help with your note taking skills? Are you worried about accidentally plagiarizing your writing assignment? The following workshops are available this November to assist you with these topics via the [Office of Academic Support Services](#) in 109A Moon:

<b>Workshop:</b>	<b>Date &amp; Time:</b>	<b>Location:</b>
Anxiety and Stress	November 17 from 4 – 5pm	110 Moon

\*Be sure to check out the [ESF Athletics website](#) for information about upcoming Mighty Oaks sporting events.

Have any questions? Stop by the Academic Success Center (109 Moon) or Student Life (110 Bray) so we can help you through your first year at ESF.

Good luck this semester!
