

“Evolutions” First Year Experience
SUNY-ESF Freshmen Learning Community
Office of Academic Support Services

September 2009 Newsletter

Welcome back students! As new students to our campus, the experiences you will encounter this semester will be unimaginable. What better way to provide you with the information necessary to connect with the activities on campus, than with an online newsletter with information and links to the events that SUNY-ESF has to offer. Also be aware that we will not clutter your inbox with random stuff, just important information and reminders that will help you through your first year as an ESF student.

For starters, please remember that all ESF freshmen are required to attend the LC Retreat. The dates and assignments for each retreat date are as follows:

September 12 – Sky Hall 3 ESF freshmen residents and all freshmen commuters

September 20 – Sky Hall 1 and Sky Hall 2 ESF freshmen residents

For more information about the retreat, visit the [ESF Learning Community website](#).

Also, for those of you that live on-campus, check out the [Office of Residence Life website](#) for information about what your residence hall has to offer, and where those other halls are located on campus.

In addition, visit the various services and programs provided by Student Life at SUNY-ESF by checking out our websites. Services such as [Student Activities](#), [Career Services](#), [Academic Support Services](#), and [Counseling](#) are just a click away. Explore what these offices have to offer while also examining valuable information about upcoming events like Family/Alumni BBQ and Homecoming. Finally, do not forget to browse the SUNY - ESF website for information from office locations, intramurals, meal plans, athletics and campus activities to just name a few.

Have any questions? Stop by the Academic Success Center or 110 Bray so we can help you through some of the confusion that you may encounter during your first year at ESF.

Good luck with your first semester here at SUNY-ESF!
