| <input type="checkbox"/> Genetics (EFB 307) | <input type="checkbox"/> Organic Chem: FCH 221____ 223 ____ |
| <input type="checkbox"/> General Ecology (EFB 320) | <input type="checkbox"/> Economics (FOR 207) |
| <input type="checkbox"/> Cultural Ecology (EST 200) | |

ESF Math Course: APM _____ Description: _____

***Note: If you need assistance in an ESF Math Course on a weekly basis, please use this form. For help on random assignments and before exams, please utilize the Math Lab in 109 Moon Library.

Other: Course Number: _____ Description: _____

Professor(s) for the course(s) you are requesting tutoring for: _____

Is the course(s) taught at ESF? _____ (If no, see below)

Note: We can only provide a tutor for courses that are taught at ESF. For SU courses please see the course webpage for TA/Professor office hours or clinic hours. You can also contact SU's Tutoring and Study Center at 443-2005 or www.tutoring.syr.edu for information regarding SU Tutoring Services.

Do you have: EOP? Yes No A documented disability? Yes No

Please indicate your availability **on the back** by marking in the blocks in which you **will be available** to be tutored. Typical tutoring sessions last one to two hours per week per course. You must attend your assigned session(s) on a weekly basis. Once submitted, please e-mail any changes to tutoring@esf.edu.

Other comments you would like to share about your situation:

I understand that missing tutor sessions will result in the termination of tutorial services.

Signature

Thank You. You will hear from the Peer Tutor Coordinator via e-mail (tutoring@esf.edu) shortly.

Please indicate your availability below by marking in the blocks in which you **will be available** to be tutored. Typical tutoring sessions last two hours. The more times you put down, the faster we will be able to place you with a tutor.
