College of Environmental Science and Forestry

## Request for Student Organization Web Hosting

Use this form to request a directory for your organization's web pages on the ESF World Wide Web server. The person requesting the directory must currently hold office within the student organization. Fill in the information below and gain approval from Laura Crandall, Director of Student Activities in 110 Bray Hall.

You will also need to request a student web access account in order to be able to work on files. That form can be filed only after this form is completed.

Return completed form to Aaron Knight, Office of Communications, 123 Bray Hall.
