<b>Also note</b>	<b>Free (jr soft serve) cone day at Carvel in Dewitt! 3-8 pm</b>	

<sup>1</sup> **Chaperones:** Make sure you have the whole group, and its Emergency Contact folder. Lead the way, watch for stragglers and splits due to elevator capacity or potty stops. Leave NO child behind in a lab, elevator, restroom, at a water fountain, tying a shoe, etc. If a child leaves with a parent, their designee, Heather or UPD, note so in that group's folder so that the session leader and next chaperone have correct counts. Watch for kids that aren't getting 'it' (provide extra help), and that aren't staying on task or getting into trouble (tap on the shoulder, redirect). **Short timers: STAY until PRESENTERS are SET UP and READY to begin.**

<sup>2</sup> **Lunch Helpers:** replenish paper goods, dole out servings (early), pour drinks (both), escort to/from bathrooms (both), and clean tables (late). **Keep track of parents that bring kids anywhere!**

<sup>3</sup> **Check out:** Children **MUST** be picked up the adult that registered the child, or an individual designated on the registration form.
