4585 West Seneca Turnpike
Syracuse, NY 13215

The Central New York Science & Engineering Fair* (CNYSEF) provides Cayuga, Cortland, Madison, Onondaga and Oswego county 4th – 12th grade students with a hands-on science, technology, engineering and math (STEM) opportunity. This event is educational and fun, and gives students an opportunity to do research they will never forget!

Not sure how to get started? Need extra assistance with your project? Looking for research lab experience? Don’t delay; contact the CNYSEF Director to be matched with a mentor! There are college students and science, health and engineering professionals ready to help you with your project.

* Formally known as the Greater Syracuse Scholastic Science Fair (GSSSF).

Registration is open now.
