 - Faculty Assistance
 - Call or write accepted students
 - Provide a welcome and program information
 - Help take an accepted student to a deposited student
 - Student selectivity has increased in recent years. ESF is competing with other selective schools in the SUNY system. However ESF cannot offer the same financial assistance that other larger schools can. Thus, it is important for faculty to be engaged in communicating to potential students why ESF is the best option.
 - Transfer Student Initiatives
 - Housing additional students is difficult. Syracuse University limits housing. Transfer students often do not request on-campus housing. Thus, transfer students require one less hurdle when placing at ESF.
