Kevin Reynolds

Bray Hall Centennial Presentation

On Thursday, March 23, Kevin Reynolds will give a thirty minute (11:30 to noon) presentation on our Bray Hall Centennial. Did you know that SUNY-ESF has been using Bray Hall for 100 years? Did you know that Bray Hall is named after William L. Bray, our first Acting Dean?

See the original floor plans (circa 1914) of Bray Hall to view some of the major changes to the building from 100 years of use. These floor plans will be available for your review in 110 Moon Library during the College Hour (11-12:20) on the day of the presentation.

Terence J. Hoverter
Head Librarian, 1960-72

The **SUNY ESF Hoverter College Archives** located in Moon Library holds a wealth of historical college information and a variety of special collections, and we are working to share what we have with the greater SUNY-ESF community via online finding aids, access to digitized items, lectures, etc. Please visit our website <http://www.esf.edu/moonlib/archives/>.

The Hoverter Half Hour Presentations are being supported by: SUNY-ESF College Administration, SUNY-ESF Alumni Association, Employee Assistance Program, Friends of Moon Library, Graduate Student Association, Quality of Worklife Committee, and the Undergraduate Student Association.
