Department: Environmental Resources Engineering
Curriculum Title: B.S. in Environmental Resources Engineering
Name of Requestor: Lindi Quackenbush

Attach to this form a copy of the ESF Minor Curriculum Change Proposal Form with all sections completed. Send the completed documents to curriculum@esf.edu

Description of the Change:

Change in course sequencing to enable introduction of programming and statistics earlier in the curriculum

- ERE 335 would move into the spring sophomore semester (change year and semester)
 - o Enables incorporation of programming in later classes
- APM 395 would move into the fall junior semester (change year)
 - o Enables incorporation of statistics in later classes
- Biology elective move into the fall senior semester (change year)
 - o Enables better preparation through additional coursework
- DEISJ Elective move into the fall sophomore semester (change semester)

There is no change in the requirements of the curriculum. The one proposed semester change (ERE 335 from fall to spring) is a course that is not required outside the ERE department.

*Form to be used for minor changes only. "Minor" curriculum changes appropriate for administrative approval should be limited to **ONE** of the following examples: 1) Adding a new course to a curriculum's list of required courses; 2) Adding a new course to a curriculum's list of directed elective courses; 3) Revising an existing course that is a part of a curriculum's list of required courses (i.e. number, prefix, or title change); 4) Revising an existing course that is a part of a curriculum's list of directed elective courses (i.e. number, prefix, or title change); 5) Adjusting course sequencing within a curriculum that does not change lists of required courses or directed electives or total credit hours, and has no impact on students outside of the major; or 6) Minor changes to curriculum description/language in the college catalog that does not change course tables or total credit hours required for a major.

If two or more of the above changes are proposed, the proposal should be submitted to the Academic Affairs Committee as a minor curriculum change, and will not be considered for administrative approval.

Approvals will be posted on AAC website.
