1. Rationale for Change

Please provide an explanatory narrative outlining the rationale for the change, and the impacts of this change on the learning outcomes of the curriculum:

SRE 335 Renewable Energy (3) is no longer offered on campus and has been replaced with SRE 337 Energy Resource Assessment (3). There are other new courses offered on campus that should be included in the list of optional courses.

2. Institutional Impact:

Changes from existing condition:

Anticipated Enrollment or Enrollment Change: No Change

Faculty or Staffing Requirements: No new requirements

Technology, Computing Resources, and Classroom Resource Demands: No new requirements

Change in Accreditation Requirements: No new requirements

Changes to Assessment Plan: No new requirements

Library Resource Requirements: No new requirements

3. Catalog Narrative:

Please attach to this proposal form a copy of the current catalog description in MS Word format, with revisions shown in "track changes".

4. Curriculum Transition Plan:

Please provide a narrative description of your plan for transitioning from your existing curriculum to the proposed new curriculum. Please provide specific dates for implementing curriculum changes, overlap periods where old and new curricula may exist simultaneously, and final phase out of old curricula. Please also include impacts and mitigating considerations for transfer students and students in mid-program during implementation, impacts of changes in semester delivery of existing courses, addition of new courses within a particular semester, etc.

Changes will occur starting in the fall of 2024.
