This internal transfer form is an expression of my interest in attending The Ranger School next fall. I understand that I must be in good academic standing with a 2.0 grade point average and will have successfully completed the required prerequisite courses to attend The Ranger School. I accept the responsibility to speak with the Financial Aid Office to understand the implications for any changes this may cause in my financial aid, including but not limited to, program scholarships and/or Excelsior Scholarship funding. I also agree to notify the Registrar's Office if my plans change as soon as possible.

Deadline for submitting internal transfer applications is March 1, 2023. Applications submitted after that date will be considered on a space available basis. Late applicants are encouraged to have a back-up plan due to enrollment limitations for Fall 2023 due to renovations at The Ranger School.
