

Instructions for how to join a Zoom meeting

Before joining a Zoom meeting on a computer or mobile device, you should download the Zoom app from the Zoom Download Center (<https://zoom.us/download>). Otherwise, you will be prompted to download and install Zoom when you click a join link.

To join via desktop computer:

- Go to: <https://zoom.us/join>
- Enter the Meeting ID (we will send this to registrants the week of 9/28)
- Click the blue “Join” button
- Follow the prompts for entering the password (we will send this to registrants the week of 9/28), etc.
- Please note that if you do not have audio on your computer, you will have to call into a teleconferencing line so that we can hear you speak! The teleconference number will be sent to registrants.

To join via the Zoom App on your Mobile Phone (Apple iOS and Android devices):

- Open the Zoom app on your phone. If you have not downloaded the Zoom app, you can download it from the App Store (it’s FREE).
- Join a meeting using one of these methods: tap Join a Meeting if you want to join without signing in, or if you already have a Zoom account, sign in to Zoom then tap Join.
- Enter the meeting ID number and your display name.
- Select if you would like to connect audio and/or video and select Join.
