

The SUNY-ESF Monthly Payment Plan For Fall and Spring

To assist the families of our students, the SUNY College of Environmental Science and Forestry is pleased to offer a Monthly Payment Plan (MPP) as an alternative to standard payment arrangements.

The MPP enables families to pay college expenses in eight monthly installments. This eases the burden of paying college bills in a lump sum each semester.

No Interest Charges

MPP provides all of the benefits of a monthly payment plan without charging interest. Affordable monthly payments can help families avoid additional borrowing. The only cost for participating in the payment plan is a \$45 annual application fee to cover administrative expenses.

Questions

All questions concerning the SUNY-ESF Monthly Payment Plan should be directed to the Bursar's Office at 315-470-6652. The staff will be happy to assist you.

How to Apply

Step 1: Using the MPP worksheet, determine the amount of your full academic year costs you wish to budget in equal monthly payments.

Step 2: Complete the application, detach and return it by the Due Date on the Bill, along with a check for your first payment plus the \$45 application fee payable to SUNY-ESF.

Step 3: Upon receipt of your application and initial payment, we will establish your MPP account. Payment coupons for the remaining payments will be mailed to you.

NOTE: All payments are due by the due date on the coupons. A late fee will be assessed to your account for any payment received after the due date. Payments can't be made online.

Terms and Conditions

1) Enrollment. Enrollment in the MPP is accomplished by completing, signing, and returning the attached application, together with your first monthly payment and the \$45 application fee prior to the Due Date on Bill. Please mail to: 103 Bray Hall Bursar's Office, 1 Forestry Drive, Syracuse, NY 13210.

2) Budget and Payments. The total academic year budgeted amount is payable in eight (8) equal installments due on the due date each month beginning in August. All payments will be credited directly to the student's bill. Refunds to participants for any reason will be handled through normal college refund procedures.

3) Fees and other charges. The \$45 application fee is non-refundable. The College will assess a \$20 service charge against your account for any payment returned for insufficient funds or which is not collectable for any other reason.

4) Failure to pay. In the event of failure of a participant to pay any installment amount within 30 days of the due date, enrollment in the MPP will be terminated and any remaining balance on your ESF account will be due in full. Late payment fee will be applied to any outstanding balance.
