FROM THE INTERIM

PRESIDENT

Dear ESF Community,

We made a commitment that we would let you know of any news from ESF or Syracuse University (SU) related to incidents of bias or racism. We just learned that a bias incident report was filed with the SU Department of Public Safety. You can view this at <https://dps.syr.edu/public-information/bias-incident-reports/>

We have been in touch with our colleagues at SU and learned that their investigation of this incident continues. They are not confident that this graffiti was produced recently. We will keep you informed if we learn more.

Students in need of assistance and/or support are urged to call ESF Counseling Services at 315-470-4716. For staff and faculty, support is available through the Employee Assistance Program coordinated by Nan Clark (nfclark@esf.edu, 315-470-6726).

Sincerely,

Dave Amberg
Interim President
