

ESF OPEN ACADEMY

The ESF Open Academy is a unit that encompasses the College's outreach programs, summer semester, professional and public education, and visiting student support.

To these ends, ESF faculty, staff and students, along with our partners, pursue a diverse range of programs and projects—all with an aim to enhance leadership, education, and practice in the science, design, engineering and management of natural resources and the environment. Programs include on-campus, off-campus, and online credit and non-credit opportunities for professionals, middle and high school students, ESF students, and lifelong learners.
