

## CRISIS HELP

Occasionally students encounter crisis situations while at ESF. Some of these situations might include the death of a family member, a serious accident, physical or mental illness that requires hospitalization, sexual assault, domestic/dating violence, or other situations that would cause a student to leave campus for a temporary or extended period of time.

Students may call or stop by the Division of Student Affairs (110 Bray Hall, 315-470-6660,) for assistance. Students looking for an immediate response to a specific crisis may find the following resources helpful:
