

PAPER AND BIOPROCESS ENGINEERING SAFETY COMMITTEE 2018-2019

The PBE Safety Committee exists to address safety issues in and around PBE spaces. A safe environment requires cooperation from everyone on a continuous basis. Therefore, we welcome input and feedback from everyone to continue to provide a safe learning and working environment.

If you have any questions, comments and/or concerns, please contact any one of the committee members listed below.

	Phone	Campus address	e-mail
Sue Anagnost	x6837	211 Baker	seanagno@esf.edu
Ray Appleby	x6527	114 Walters	rappleby@esf.edu
Bill Burry	x4779	307 Walters	wmburry@esf.edu
Sid Chatterjee	x6517	406 Walters	schatterjee@esf.edu
Rafaaf Hussein	x6833	216 Baler	rnhussei@esf.edu
Neil Kohan		175 Baker	nkohan@syr.edu
Dwyer Stuart		309 Walters	tdstuart@syr.edu
Kelly Watson-Collins	x6532	102 Walters	ekwatson@esf.edu
George Westby	x4952	416 Walters	grwestby@esf.edu

Relevant PBE safety information is available for your inspection and use on the Safety Committee's web site at <http://www.esf.edu/pbe/safety/>. We encourage all students and occupants to become knowledgeable of the information provided here and at ESF's Environmental Health and Safety web site, <http://www.esf.edu/eh&s>.
