

Committee on Curriculum

Agenda for May 20, 2013

254 Baker, 11:00 a.m.

1. Proposal on program discontinuance procedures (attached). Please review and be prepared to discuss/vote.
2. BEE proposal? This came back, but still with problems. There is also the faculty resource issue with Charlie Hall retiring. Resources are not our problem, but I ask Scott to determine if the administration will support resources to implement this program. If not at this time, we should drop it until the resources are in place.
3. Revising CoC procedures. We need to be more efficient. Bring your ideas. I would like to have a serious discussion about this.
4. Chair for 2013/2014.
