

State University of New York College of  
**Environmental Science and Forestry**  
Committee on Curriculum

Agenda for February 1, 2022 Meeting 11 AM

Zoom link:

<https://syracuseuniversity.zoom.us/j/97417812544?pwd=QXJQSGtSSUIVaWd6cFVYczVINlVoQT09>

Meeting ID: 974 1781 2544

Passcode: 928047

1. Call to Order
2. Approval of Minutes
3. Reminder: Deadline for course proposals: March 1, 2022
4. Proposals posted for review/comment:
  - Curriculum Proposal B.S. Environmental Engineering (minor revision)
  - Curriculum Proposal B.S. Forest Ecosystem Science (minor revision)
  - Course Proposal FOR 492 Capstone Research in Forest Ecosystem Science (new)
  - Course Proposal FOR 493 Capstone Synthesis in Forest Ecosystem Stewardship (new)
5. Proposals to be posted
  - Certificate in Visual Resource Management (new)
  - Certificate in Climate and Sustainability Leadership (new)
  - PhD in Environmental Studies (new)
  - Curriculum Proposal B.S. Chemistry (minor revision)
  - Curriculum Proposal B.S. Bioprocess Engineering (minor revision)
  - Curriculum Proposal B.S. Chemical Engineering (minor revision)
  - Curriculum Proposal B.S. Paper Engineering (minor revision)
  - Course Proposals (minor) ECH 202, ECH 212, ECH 312, ECH 322, ECH 323, ECH 324, ECH 341, ECH 355, ECH 371, ECH 422, ECH 442, ECH 455
  - Course Proposal ECH 132 Orientation and Introduction to Chem Eng I (new)
  - Course Proposal ECH 133 Intro to Chem Eng II (new)
  - Course Proposal ECH 304 Chemical Engineering Internship (new)
  - Course Proposal ECH 306 Professional Synthesis (new)
  - Course Proposal ECH 454 Product Design in Chemical Engineering (new)
  - Course Proposal ECH 457 Chemical Engineering Plant Design (new)
  - Course Proposal ECH 498 Research Problems in Chemical Engineering (new)
6. Action Items
  - Curriculum Proposal B.S. Construction Management (minor revision)
  - Curriculum Proposal B.S. Sustainable Energy Management (minor revision)
  - Curriculum Proposal B.S. Environmental Education & Interpretation (minor revision)
  - Curriculum Proposal B.S. Environmental Studies (minor revision)

- Course Proposal SRE 150 Intro to Sustainable Energy Management (new)
  - Course Proposal SRE 337 Energy Resource Assessment (minor revision)
  - Course Proposal EST 333/533 Inquiry Based Science Education (new)
  - Course Proposal EST 407 Assessment for Environmental Programs (new)
  - Course Proposal EST 444 Creative Response to the Environment (new)
7. Old Business
  8. New Business

Next meeting:  
March 1, 2022
