Honor Roll of Donors 2009-2010

The honor roll of donors acknowledges the cumulative giving of all individuals and organizations who supported the ESF College Foundation with a financial contribution during the period July 1, 2009 to June 30, 2010.

Contributors are listed within their appropriate donor categories: alumni; corporations, foundations and organizations; board members; friends; faculty and staff; and parents. Donor's who fall into multiple donor categories are listed multiple times. Alumni additionally are listed by class year.

Within each donor category, additional recognition is given to contributors who are members of the **Founder's Club** (cumulative lifetime gifts of \$25,000 or more) and the **President's Club** (annual gifts of \$1,000 or more). Donors are listed alphabetically under the heading of "other donors."

Special recognition through the production of separate lists is also given to members of our three premier gift societies which are:

Founder's Club

Members cumulative lifetime giving equals \$25,000 or more.

1911 Society

Sustaining Members have made an annual unrestricted gift of at least \$1,911 (the year of the College's founding).

Gold Members have made an annual unrestricted gift of at least \$5,000.

Platinum Members have made an annual unrestricted gift of at least \$10,000.

Robin Hood Oak Society

Members have made a planned gift or provision for ESF in their Estate Plan.

A list of all endowments and funds named through significant contributions to the ESF College Foundation is included in this publication. Named funds held by the Syracuse Pulp and Paper Foundation are listed in SPPF publications.

The publication of the honor roll is intended to publicly recognize and thank all donors to the ESF College Foundation. We have made every effort to ensure this list is comprehensive and accurate. Any errors of omission or fact should be reported to the ESF College Foundation office by telephone at 315-470-6683 or by email to gifts@esf.edu.

Daniel DeMarco

John P. Clark Memorial Scholarship

ESF student Daniel DeMarco PBE '11 found that financial support helped his academic achievement.

"The scholarship provides a drive for me to work harder and I've seen better results," DeMarco said. "My grades have improved over the years."

DeMarco is the recipient of the John P. Clark Memorial Scholarship, which honors a deceased 1977 ESF graduate and is focused on assisting students who have both high academic achievement and demonstrated financial need.

DeMarco, a senior paper and bioprocess engineering major, has gained significant professional experience by participating in several internships. During his freshman year, DeMarco had to hold a job to help pay for college.

He said the Clark scholarship allows him more time to study because he no longer has to devote that time to an outside job. It also provides him with time to participate in other campus activities such as the Papyrus Club (of which he's president) and the Woodsmen's Team. These activities help give DeMarco a complete and well-rounded college experience. ■

Paul E. Klaphor '80 American Forest Management Scholarship

A scholarship that helps students pay for forestry summer camp translates into a worry-free experience for students.

The Paul E. Klaphor '80 American Forest Management Scholarship "enabled me to enjoy the summer program experience without financial pressure," said junior Julie VanWinkle.

The scholarship was established by Klaphor's widow, Susan Krotz '80, and his colleagues at American Forest Management in 2009. Klaphor was instrumental in creating American Forest Management, which is one of the nation's premiere forestry consulting firms. The scholarship supports deserving forestry students who attend the forestry summer camp program.

Because the fee for the summer program is in addition to the regular tuition and students can't work while attending the program, VanWinkle said she was grateful for the scholarship. "The summer program is vital to the junior and senior year. It's where you're introduced to all the subjects you'll be covering," she said.

During the summer program, held at the Ranger School in Wanakena, students learn the fundamental tools of forest and natural resources management, said Dr. David Newman, chair of the Department of Forest and Natural Resources Management. "They also bond with their fellow students," he said. "That helps them succeed in the program." ■

William J. Cox Scholarship

James “Jamie” Kendall isn’t your traditional ESF student. The 28-year-old father of two makes a 155-mile roundtrip commute from Geneva, N.Y., a town on the shores of Seneca Lake in the Finger Lakes, to attend classes in the forest and natural resources management program.

Kendall comes to his interest in forestry by way of family history. His father owns a sawmill on 300 acres in Tennessee and his uncle is a logger. “I come from a long line of forestry people,” he said. “I like to try my hand at a few different things. I’m more interested in growing trees than cutting them down.”

Kendall attends ESF with support from The William J. Cox Scholarship, which provides funding for employees in the forest products industry and their children.

“The Cox scholarship means that someone can always be home with the kids,” he said, referring to the need to juggle child-care responsibilities with his studies. “It helps pay transportation costs to get to class. Without it, I don’t think I’d be able to stay here.” ■

Vivian Ryan Sutton Scholarship

Vivian Ryan Sutton earned her Ph.D. in English in the 1940s, a time when few women achieved that level of education. As a faculty member at Syracuse University, she taught many students at what was then called the College of Forestry. During her tenure, she saw that women continued to face challenges as they pursued higher education.

Sutton wanted to leave behind a legacy that would help women advance in higher education. Having grown up during the Great Depression, Sutton knew the value of spending money wisely but she felt there were two things worth investing in: education and travel. To that end, her family established the Vivian Ryan Sutton Scholarship at SUNY-ESF to honor her memory and beliefs.

Today the Vivian Ryan Sutton Scholarship assists deserving landscape architecture students during their junior and senior years. ■

Dr. Lindi Quackenbush

2010 ESF College Foundation Award for Exceptional Achievement in Teaching

Dr. Lindi Quackenbush received the 2010 ESF College Foundation Award for Exceptional Achievement in Teaching. Quackenbush is an Assistant Professor in the Department of Environmental Resources Engineering.

The award recognized Quackenbush's creativity as a teacher and her contributions to the professional engineering community. Her dedication to students, good humor, patience and professional expertise were all recognized.

"I was really pleased," Quackenbush said of the award. "Did I expect the award? No. Do I put everything I have into teaching? Yes. And it's nice to be recognized."

The Foundation Award was established in 1999 to celebrate the accomplishments of ESF faculty and staff members who excel at the art of teaching. The Foundation provides winners with a personalized recognition plaque and a cash award of \$1,000. A permanent plaque displayed in the Bray Hall Rotunda lists the names of all previous recipients. ■

Centennial Hall

Centennial Hall

Construction of SUNY-ESF's first student housing facility, Centennial Hall, is underway; named in honor of the College's upcoming 100th anniversary. The building is scheduled to open in August 2011, marking a turning point in ESF's history as the first residence hall specifically for ESF students. To this point, access to on-campus housing was only available at neighboring Syracuse University.

"We are thrilled to be able to offer this new opportunity to our students," said ESF President Cornelius B. Murphy, Jr. "For our incoming students, Centennial Hall will ease their transition to college life. For all our students Centennial Hall will provide an enriched living experience and help them get more out of their ESF education. It also provides much-needed space as we continue to grow and expand our academic programs."

Construction of Centennial Hall began in May along Oakland Street, just west of the main ESF campus. The 452-bed facility is being constructed and will be operated by the ESF College Foundation, Inc. Planned as a silver-certified LEED building, the building's impact on the environment will be reduced by the use of storm water management techniques, sustainable building materials where possible, landscaping that includes native plants and a limited need to mow, extensive indoor bicycle storage and maintenance facilities and a pedestrian-friendly design.

"The ESF College Foundation has been working for seven years to develop this facility for ESF students. We are extremely excited to see this dream become a reality," said ESF College Foundation Executive Director, Brenda Greenfield. ■

Henry Buckley Scholarship

Henry H. Buckley, an Oneonta businessman and cattle breeder had a keen interest in forestry. Mr. Buckley and his wife Jenny H. Buckley established the Henry H. Buckley Foundation in 1934 in part to provide educational support to students. The Henry H. Buckley Foundation established the Henry H. Buckley Scholarship at SUNY-ESF in 1961 to support the education of deserving ESF students.

The Henry Buckley Scholarship is providing Zaidee Powers EFB '12 with the resources to pursue her passion for entomology.

"The scholarship relieved a lot of stress with loans," said Powers. "It gives me more time to study and more money to go to graduate school."

Powers, a junior in the Department of Environmental and Forest Biology, is currently working with Dr. Stephen Teale researching fly pheromones. "I want to work in a lab or fieldwork," said Powers. "Now I'm gaining the experience in the field I'm interested in."

Powers first learned about ESF from her aunt. The College was a perfect fit for the student who said "I've always been interested in science and enjoyed learning and being outside." ■

Here are Five Simple Ways to Ensure You are in the 2010-2011 Honor Roll of Donors

1. Make a gift on-line at www.esf.edu/giving

Credit card gifts can be made on our secure site 24 hours a day, 7 days a week.

2. Put a check in the mail

Checks made payable to ESF College Foundation may be sent to:

ESF College Foundation • 1 Forestry Drive, 214 Bray Hall • Syracuse, NY 13210

3. Transfer some stock

Making a gift with securities that you have owned for more than one year will earn you a double tax benefit. Not only can you take a 2010 tax deduction for the full fair-market value of the stock, you also will escape capital-gains tax on any asset appreciation. Electronic securities transfers are fast and easy. Just give your broker the following information. To ensure proper credit of your gift, please email us at gifts@esf.edu to let us know your name and the number and name of the shares you are giving.

DTC #: 0062

Account #: 77354486

Account Name: ESF College Foundation, Inc.

4. Make a gift from your IRA

If you are age 70½ or older, recent legislation now allows you to make a gift from your traditional or Roth IRA to qualified charities, such as the ESF College Foundation, without incurring income tax on the withdrawal. This is good news for people who want to make a charitable gift and avoid income tax on required minimum distributions. The provision is still effective for the 2010 taxyear, but you must act by December 31 to take full advantage. Simply contact your IRA custodian for the forms necessary to transfer your desired gift amount. You'll most likely need our tax identification number of 15-6023443 to complete the gift.

5. Make a pledge during the ESF Annual Fund

An ESF student will be calling you soon to ask for your support for the 2010-2011 Annual Fund. Pledges to the Annual Fund can be paid by credit card over the phone, on-line at www.esf.edu/giving, and through the mail. Annual Fund pledges can also be paid through a quarterly or monthly payment program established by the donor.

If you have any questions or need additional information, please call us at 315-470-6683.
