

Kris Dimmick PE PWLF

President

Outside Engineering, PLLC,

Mr. Dimmick retired as Vice President at Bernier, Carr & Associates, P.C., an Architectural, Engineering, Surveying, and Consulting firm after more than 30 years of municipal engineering and construction experience. During this time, he assembled and lead various dynamic multidiscipline teams specializing in water supply, treatment, and distribution; sanitary wastewater collection and treatment; transportation; storm water management and all aspects of rural municipal engineering. Mr. Dimmick's experience includes client recruitment and retention, project development, funding, design, construction administration, and closeout in existing communities. As a Municipal Engineer, Mr. Dimmick consulted at the policy and legislative levels to assist in planned growth, extension of essential services, and improved governance. In semi-retirement he has established his new firm, Outside Engineering, PLLC, in response to requests for assistance from community members throughout New York State.
