

Swiatoslav Kaczmar PhD CIH

400 Scottholm Blvd
Syracuse, NY

Dr. Kaczmar is an environmental toxicologist. He retired as Vice President and Chief Scientist of O'Brien and Gere Engineers. His professional practice focused on the investigation and remediation of hazardous waste sites, occupational health and safety and hazardous waste management. During his over 30 year tenure at O'Brien and Gere, Dr. Kaczmar also served as an adjunct faculty member of the Department of Civil and Environmental Engineering at Syracuse University, the Masters of Public Health Program at SUNY Upstate Medical University and the Environmental Resources Engineering Department at SUNY College of Environmental Science and Forestry. He developed and taught courses in Hazardous Waste Management; Industrial Hygiene; Environmental Risk Assessment; and Environmental Health, with the goal providing students examples of practical applications of the topics.
